Lung-Vita Gave Relief**

"I was taking medicine all the time," continues Mr. Barry, "but found nothing that would cure me. Mr. J. A. Wells advised me to try Lung-Vita. I did so, and want to say that this is the first winter in twenty years that I have not been bothered with asthma and bronchial trouble."

We know that 110 Medical graduates, 14 dental graduates, 9 pharmaceutical graduates and 6 nurses of Meharry are now doing active service in the U. S. A.

The 1918 catalogue with the Meharry news as supplement will soon be out. It is hoped that both will find its way to the desk of every graduate. If they do not reach you during this month, a card addressed to the president upon which the proper address is placed will bring it.

It is difficult to keep the correct address of all the graduates, but the president is anxious to place the catalogue within their reach. Let him know where you are and the catalogue will follow.
